Digitally captures notes and handwritings

Annotate and edit photos

Compatible with iPad, iPad 2 & iPad 3

It's not just a Stylus

Art- No: 100066

Product Features

MyNote Pen is the best piece of hardware for anyone dreaming to use the iPad for accurate drawing and painting. The small receiver is connected to the iPad easily and is ready to use after App installation. Write or draw on your iPad and save the notes for future use. Even leaning your hand on the screen is not a problem since touch function is deactivated while iPad is operating in Pen mode. Share your notes on Twitter, Facebook or by Email. Manage your drawings, print, delete or modify them later. Or send the files as PDF to friends, family or all over the world. With the free and easy-to-use App your iPad become a mobile drawing Pad in just a second.

- Enables fine writing and drawing on iPad Screen
- Accurate and fine drawing without changing your writing habits
- Take meeting memos, notes and handwriting emails
- Leaning with hands/fingers on the screen
- Photo sketching and drawing
- Apps available for free in App Store
- Scratch free rubber pen tips with two different temper levels (hard, soft)
- Easy installation by using iPad 30 pin dock connector
- Working with iPad, iPad 2 & iPad 3 from iOS 4.0 or above
