Ultra-bright portable HD projector

Picture size up to 120" (300 cm)

Battery for up to 4 hours of movie playback

Powerful boom box with 3-ways speakers

HDMI and Bluetooth interface

Art- No: 600001

Product Features

Flicks is a mobile party powerhouse bringing video and music to any environment. The LED HD projector projects ultra-bright and sharp pictures from a HDMI source. The DLP chip in use, known from large cinema projectors, provides rich colors and high contrasts. With an embedded rechargeable battery, Flicks is free from any power source for real mobile presentations and movie nights. The 3-ways speakers with subwoofer are well balanced and powerful enough for your party. Enjoy movies with Flicks wherever you are, free from cables and power source.

- DLP Technology provides sharp and rich image quality
- Up to 700 lumens of brightness
- HD (1280 x 720p) pixel resolution in 16:9 ratio
