Art- No: 430065

Product Features

The „iBeamBlock“ is the first stackable HD projector with Windows 10 tablet and power bank. The single components are stacked cordlessly and held together with magnetic Pogo-Pins. Content can be provided from an external source via HDMI or from the tablet. This has embedded Wi-Fi as well as a Bluetooth, USB, Micro USB and Micro SD card interface. Particularly important for business usage: the compact projector displays Excel, Word, PowerPoint and PDF documents crystal clear with 400 lumens of brightness and an image diagonal of up to 120”.

- Stackable Design for Performance upgrade
